

THE NEW ŠKODA SUPERB

ŠKODA
SIMPLY CLEVER

A CAR THAT TRULY EARNS ITS NAME.

Imagine a car that blurs the line between beauty and functionality. Where style and spaciousness coexist in perfect harmony. Where there's room for everything except compromise. We imagined such a car. And we call it the new ŠKODA SUPERB.

Sculpted by a new, more emotional design language, the ŠKODA SUPERB is an instant conversation starter. As well as being incredibly spacious, it's the most comfortable way to stretch not just your legs but your ambitions too – perfect for family and business alike. And being a ŠKODA, this car showcases our finest Simply Clever thinking.

This car represents over 125 years of forward-thinking, a commitment to making cars that are as much a joy to drive now as they were back when we started. Because instead of looking back on our eventful history, we use it as an inspiration to look ahead.

That's Simply Clever. That's ŠKODA.

ŠKODA SUPERB SPORTLINE

WOLF, IN WOLF'S CLOTHING.

Sophistication just got a sporty makeover. Step inside the ŠKODA SUPERB SPORTLINE and experience how racy and refined can go hand-in-hand.

While its sculpted design lines give the car serious head-turning powers, its sporty details, inside and out, give it an attitude to match. And being the flagship ŠKODA, it obviously comes with numerous Simply Clever solutions.

The ŠKODA SUPERB SPORTLINE is yet another example of our philosophy of making beautifully designed cars that are as much a joy to drive now as they were back when we started.

That's Simply Clever. That's ŠKODA.

360° Area View*

8 Airbags

Amundsen Infotainment System with In-built Navigation System

Park Assist*

Electrically Adjustable Front Seats

*Only available in L&K

The inbuilt connectivity mobile online services can be accessed at any time via the MyŠKODA ConnectED app. The app displays a clearly laid out Vehicle Health Report on the smartphone. The system automatically stores important data every time the ignition is switched off. Remote vehicle access is also available, which allows owners to retrieve vehicle information and driving data, including the car's parking location.

TRACK YOUR CAR

Keep an eye on your car's location from your home or office and stay informed when someone is driving your car.

REAL-TIME SPEED TRACKING

Monitor the real-time driving speed.

GEOFENCE BREACH NOTIFICATION

Add a geofence for your car and get alerts when the boundary is breached.

ROADSIDE ASSISTANCE

Get roadside services like flat tyre repair, battery jump-start, refuelling, towing and a lot more.

DEVICE TAMPERING ALERT

Stay alert with prompt notifications on Device Tampering.

DRIVING BEHAVIOUR

Get real-time information on driving behaviour, e.g., harsh braking, sharp turns, speeding and rapid acceleration.

WALK TO CAR

Locate your car quickly in big parking lots or crowded areas.

ROUTE TRACKING/DEVIATION ALERT

Live track the travel route taken by your family and get quick deviation alerts.

SOS (EMERGENCY SMS WITH LOCATION)

Long press the SOS button to send an emergency SMS to your contacts with your location.

TOW ALERT

Get an alert in case your car is being towed away.
